MEQUON - THIENSVILLE
EDUCATION FOUNDATION

The Mequon-Thiensville Education Foundation Needs Your Support

2021 has been a challenging year for everyone. COVID-19 has disrupted our lives in a way that we couldn't imagine and the school district continues to face many additional expenses.

The Foundation is committed to developing community-wide private financial support to help ensure that the district is advancing in technology, curriculum, and personnel, beyond what budget restrictions allow.

Strong Schools Build Strong Communities

The Mequon-Thiensville Education Foundation exists to keep excellence alive and our community strong by contributing to the district's education legacy and securing it for the future as a critical community asset.

**WORKING FOR
EVERY SCHOOL,
EVERY TEACHER,
EVERY STUDENT!**

What does your donation do? A few of the MTEF grants awarded this year:

- ☹️ Technology for students at all six schools
- ☹️ Elementary school playground equipment
- ☹️ Middle school physical education equipment
- ☹️ High school writing lab, science precision portable balances and AP Computer Science resources

Will You Please Help?

Here are two easy ways to support the Education Foundation:

- 1** Go to mtef.org and click **Make a Donation**
