Mequon — Thiensville Education Foundation

2010 - 2011 ANNUAL REPORT
Dear Friends,

On behalf of the Mequon-Thiensville Education Foundation Board, I would like to extend my sincere gratitude to all our donors and volunteers during the 2010-2011 fiscal year. And what an amazing year it was! Because of YOU, the Foundation has approved grants exceeding $300,000 to the Mequon-Thiensville School District for the upcoming school year while continuing to build the MTEF Endowment Fund for the future.

I encourage you to read the Grant Awards summary section of this Annual Report which outlines what the Foundation has been able to achieve due to your active participation in education in Mequon-Thiensville. In particular, I want to showcase the over $100,000 granted to the Performing and Fine Arts Programs in the district; a first for the Foundation.

I personally want to thank the Foundation’s Board of Directors which has thoughtfully guided the organization in the areas of finance, law, teacher award selection and grant approval as well as volunteering and participating in the Foundation’s fundraising events. Thank you, too, to Eric Dimmitt and Pat Hopfensperger, ex-officio officers from the district, who have donated many hours to the Foundation.

I personally want to thank the Foundation’s Board of Directors which has thoughtfully guided the organization in the areas of finance, law, teacher award selection and grant approval as well as volunteering and participating in the Foundation’s fundraising events. Thank you, too, to Eric Dimmitt and Pat Hopfensperger, ex-officio officers from the district, who have donated many hours to the Foundation.

New for the upcoming fiscal year, I am thrilled to introduce our new logo as seen on the cover of this report which will be rolled out in the upcoming year along with a new web site. The Foundation will be retiring the “pencil” logo which has served us well for the past 13 years. We are excited about the fresh new look and are grateful for the donation of time and talent of Jack Rooney, Emeritus MTEF Board member and President of Ogilvy & Mather in Chicago, along with his partners Eric Ellis and Gabe Usadel who oversaw the design efforts.

As we look forward, I challenge everyone to help widen our giving and volunteering circles. Ask a friend, ask a neighbor, ask a fellow parent “Have you supported the Foundation this year?”

Thank you again to all our donors and volunteers for a great year of Investing in the Advancement of Excellence in the Mequon-Thiensville School District.

Sincerely,

Marcia K. Schwager
President
AN MTEF SUCCESS STORY

MTEF DONATIONS LEAD THE WAY TO FUTURE SUCCESS FOR STUDENTS

The role that the Mequon-Thiensville Education Foundation played in Emily Jakubiak’s education is unknown to her but through your donations MTEF has enabled Emily to pursue her dream. Emily, HHS Class of 2011 and now a freshman at the Milwaukee School of Engineering, was always interested in architecture so she enrolled in both Introduction to Engineering Design and Principles of Engineering classes at Homestead. According to Emily, “Project Lead the Way classes really cemented my ideas of what I wanted to do. After taking these classes I knew I wanted to study Architectural Engineering.” Emily received a scholarship for having successfully completed these Project Lead the Way (PLTW) courses.

MTEF granted $91,000 in 2009-2010 as seed money for the Project Lead the Way program. These donations, matched by school expenditures, were used to begin implementation of the PLTW program in Lake Shore and Steffen Middle Schools and Homestead High School. Without this seed money, the robust and nationally recognized PLTW classes would not have been as effective or even possible.

What is Project Lead the Way? PLTW focuses on Science, Technology, Engineering, and Mathematics (STEM) curriculum in middle and high schools across the United States while preparing students for post-graduation study and careers in these fields. Due to recent PLTW certification, students may obtain college credit from associated universities upon successfully completing PLTW courses at Homestead.

Current freshman Adam Meyer experienced PLTW courses at Lake Shore Middle School in 6th through 8th grade. Winner of the 2011 Golden Hammer Award at Lake Shore Middle School, Adam participated in the middle level offerings of Design & Modeling, Magic of Electrons, and Flight & Space because he enjoys “creating things and learning how things work.” Adam plans on continuing in the PLTW program at Homestead to help reach his goal of someday becoming an engineer.

You can see for yourselves that the seed money is already reaping rewards for Emily, Adam, and many other students that benefit from the community’s generosity and a strong science, technology, engineering and math curriculum. With your help, MTEF and MTSD will continue to collaborate to improve and expand the college and career readiness opportunities for all our students.

Independent Auditors’ Report completed by Kolb + Co.
The Mission of the MTEF is to develop community-wide private financial support for the Mequon-Thiensville School District, and through grants, to help support continued excellence in education.

Statement of Purpose
The Foundation is committed to helping address the budgetary shortfalls and to ensuring that the Mequon-Thiensville School District advances in technology, curriculum and personnel.

Declining enrollments coupled with the unfavorable state funding formula make this a fiscally challenging time for the Mequon-Thiensville School District. Creation of strong private-public partnerships empowers supporters of public education to partner together to make a difference as we prepare our students for the 21st century global world.

Goals
- To achieve a distinct, beneficial and clearly understood role in the community.
- To collaborate with school district personnel and other school support groups to identify ways to maintain the educational excellence our children deserve.
- To seek and support creative ways to ensure the school district advances in technology, curriculum and personnel.
- To expand our parent, staff and community donor base.

About the Foundation
The Mequon-Thiensville Education Foundation (MTEF) was incorporated in 1998 as a nonprofit organization committed to advancing educational excellence. The Foundation is governed by a volunteer Board of Directors, which operates independently yet in conjunction with the Mequon-Thiensville School District and Board of Education. The Foundation is a tax-exempt charitable organization under Section 501(c) (3) of the Internal Revenue code.

The MTEF benefits all six schools in the MTSD consisting of Donges Bay Elementary School, Oriole Lane Elementary School, Wilson Elementary School, Lake Shore Middle School, Steffen Middle School, and Homestead High School.

GRANT AWARDS

SERVICES FOR STUDENTS ($41,155)

Several grants will support the AVID (Advancement Via Individual Determination) program and the Sydney Lauren Tabakin Writing Lab at HHS. AVID is a curricular program which provides writing, reading and study skills embedded in the curriculum that enable capable college-bound students to achieve higher levels of mastery than they are experiencing currently. An additional grant continues to support the writing lab opportunities for HHS students before and after school.

CONTINUED TEACHER AND BOARD DEVELOPMENT AND TRAINING ($20,500)

MTEF will continue to support the efforts of educators to be innovative and educated in their fields of expertise by granting $17,500 to be used in 2011-12 for staff development opportunities otherwise not possible. An additional $3,000 grant provides the Board of Education funds to study governance issues.

EXCELLENCE IN TEACHING AWARDS ($3,500)

Due to the continued generosity of our donors, we are able to award Excellence in Teaching Awards at the elementary, middle and high school levels. Please refer to the Teacher Awards section to read more about this year's recipients.

MEQUON-THEINSVILLE EDUCATION FOUNDATION ENDOWMENT FUND

In 2002, the Mequon-Thiensville Education Foundation established an Endowment Fund. As with many non-profit organizations, the Endowment Fund was created so that it will eventually provide an ongoing source of income for our operating expenses and general funding purposes.

The Endowment Fund was seeded with private donations in varying amounts. It continues to grow through the addition of private contributions and growth of its investments. The current goal is to grow the Endowment Fund to $1 million. After that point, the Foundation plans to take distributions from the Endowment Fund while continuing to build the principal balance.

Donors may designate their donations to the Endowment Fund in one of three ways:

- By checking "The Endowment Fund" box on our Annual Campaign donor card.
- By printing out a donor form from our website at www.mtef.org and checking the "Endowment Fund" box.
- By donating online via the "Donate Online" link of our website and designating the Endowment Fund.

A gift to the Endowment Fund through your personal and/or family estate is yet another way to express your support of the Mequon-Thiensville Education Foundation. Please consult your estate planning expert.

$301,606 / TOTAL GRANTS

We would like to thank the members of the Grants Advisory Committee:

Deb Anderson, Nancy Anderson, Brett Bowers, Eric Dimmitt, Tanja Felton, Myra George, Chair Pit Hopfer, Susan Malmquist, Tom Price, Bryan Sadoff, Marcia Schwager and Jacobyn Sulsaberger.

In addition to awarded grants, generous community members have established teaching awards at the elementary, middle and high school levels. These awards are made annually in June to staff members who demonstrate exemplary leadership in the preparation of students for continued academic advancement.

The Mequon-Thiensville Education Foundation congratulates the 2011 Excellence in Teaching Award winning educators. Marianne Wallach at Homestead High School, Shari Christmas at Steffen Middle School and the Fifth Grade Team of Dawn Liker, Ellen Mandelman and Missy Vraney at Wilson Elementary School have been recognized for their exemplary leadership in the preparation of students for the next level in their education. At all levels, the recipients must demonstrate good communication and leadership skills, a willingness to become involved and share their instructional expertise with students as well as peers, incorporate innovative teaching methods, and have a positive impact on all students.

Marianne Wallach has infused life and excitement into the Latin language and been a transformational leader within the walls of HHS. Shari Christmas love of both literature and technology merge as she engages today’s learner through the use of podcasts and SMARTBoard lessons. The Fifth Grade Team of Dawn Liker, Ellen Mandelman and Missy Vraney at Wilson have created a world where each student is determined to achieve their own “personal best.”

MTEF congratulates and salutes these exemplary educators through these awards and bestows a $1,000 grant to the middle and high school teachers and a $1,500 grant for the fifth grade team to share.

MTEF appreciates and recognizes all of the financial support offered by its contributors. The list was compiled from MTEF records of annual gifts, sale of tickets to the Tartan Ball and other forms of financial support in order to show contributors’ aggregate financial support of MTEF. Participation is limited to those that paid by check. The list is intended to serve for recognition purposes only and is not intended to serve as a written acknowledgment of the tax deductibility of any gift or any portion thereof. For more on the tax deductibility of a gift, please consult your tax advisor.

2011 Excellence in Teaching Award winners -

Marianne Wallach, Dawn Liker, Ellen Mandelman, Missy Vraney and Shari Christmas
The Tartan Ball is at once a celebration of and fundraiser for our excellent schools. The 12th Annual Tartan Ball was held at The Pfister Hotel. Returning Co-chairs Liz Grauman, Kris Worthington and Jennifer Zooler once again organized a remarkable evening. The event raised over $148,000 in profits including $51,000 through the Fund-A-Grant Voice Auction. This year the Fund-A-Grant supported the Performing and Fine Arts grant and the Technology Fund.

MTEF is proud to provide various opportunities for the Mequon-Thiensville community to support its schools. The success of these events in 2010-11 will make a profound difference this year in the classrooms and we would like to thank all those involved as a participant or volunteer.

ANNUAL GIVING CAMPAIGN

The Annual Giving Campaign, a community-wide direct mail effort, is the Foundation’s largest fundraiser. The Foundation has conducted an Annual Giving Campaign mail each fall for the past thirteen years. Annual Campaign 2010/2011 was extremely successful generating nearly $200,000 in contributions. The support of our financial donors including individuals, family foundations, community members and businesses along with corporate matching gifts is sincerely appreciated.

CAMPAIGN 2010/2011 GENERATED NEARLY $200,000.

**TARTAN BALL**

“Opportunity Knocks”
SPRING RAFFLE RAINED NEARLY $7,000.

The fifth annual Mequon-Thiensville Community 5k Run/Walk and Kids 100m Dash was held in May. Thank you to co-chairs Colleen Coven, Colleen Jacobus, Dana Levy and Betsey Woody who raised over $17,000. Wilson Elementary was awarded the “Golden Sneaker” Trophy for registering the largest percentage of students and staff for the event. Congratulations!

THE 5K RUN/WALK EVENT RAISED OVER $17,000.

NEW FOR THE 2011-2012 FISCAL YEAR

A Wine and Cheese Tasting was held at Shully’s Cuisine in July. In addition to a fabulous wine and cheese tasting, guests were given the opportunity to purchase their favorite of either with a percentage of revenues going to the Foundation.

SUPPORTED COMPANIES

SPRING RAFFLE

Fundraisers continued

The third annual Spring Raffle, chaired by Libby Baranko, Jodi Holman and Judith Wasserman, was held in April. The raffle raised nearly $7,000 in profits. Congratulations to the Zall family – our $1,000 Grand Prize winner!

M-T COMMUNITY 5K RUN/WALK

The fifth annual Mequon-Thiensville Community 5k Run/Walk and Kids 100m Dash was held in May. Thank you to co-chairs Colleen Cowen, Colleen Jacobus, Dana Levy and Betsey Woody who raised over $17,000. Wilson Elementary was awarded the “Golden Sneaker” Trophy for registering the largest percentage of students and staff for the event. Congratulations!

THE 5K RUN/WALK EVENT RAISED OVER $17,000.

NEW FOR THE 2011-2012 FISCAL YEAR

WINE AND CHEESE TASTING

A Wine and Cheese Tasting was held at Shiloh’s Cuisine in July. In addition to a fabulous wine and cheese tasting, guests were given the opportunity to purchase their favorite of either with a percentage of revenues going to the Foundation.

2010/2011 donors continued

MTEF is proud to provide various opportunities for the Mequon-Thiensville community to support our schools. The success of these events in 2010-11 will make a profound difference this year in the classrooms and we would like to thank all those involved as a participant or volunteer.

ANNUAL GIVING CAMPAIGN

The Annual Giving Campaign, a community-wide direct mail effort, is the Foundation’s largest fundraiser. The Foundation has conducted an Annual Giving Campaign via mail each fall for the past thirteen years.

Annual Campaign 2010/2011 was extremely successful generating nearly $200,000 in contributions. The support of our financial donors including individuals, family foundations, community members and businesses along with corporate matching gifts is sincerely appreciated.

CAMPAIGN 2010/2011 GENERATED NEARLY $200,000.

TARTAN BALL

“Opportunity Knocks”

The Tartan Ball is an annual celebration of and fundraiser for our excellent schools. The 12th Annual Tartan Ball was held at The Pfister Hotel. Returning Co-chairs Liz Graumano, Kris Worthington and Jennifer Zoeberl once again organized a remarkable evening. The event raised over $148,000 in profits including $51,000 through the Fund-A-Grant Voice Auction. This year the Fund-A-Grant supported the Performing and Fine Arts grants and the Technology Fund.

TARTAN BALL 2010 RAISED OVER $148,000 INCLUDING THE FUND-A-GRANT VOICE AUCTION.

FUNDRAISERS
In addition to awarded grants, generous community members have established teaching awards at the elementary, middle and high school levels. These awards are made annually in June to staff members who demonstrate exemplary leadership in the preparation of students for continued academic advancement.

The Mequon-Thiensville Education Foundation congratulates the 2011 Excellence in Teaching Award winning educators. Marianne Wallach at Homestead High School, Shari Christiansen at Steffen Middle School and the Fifth Grade Team at Wilson Elementary School have been recognized for their exemplary teaching and preparation of students for the next level in their education. At all levels, the recipients must demonstrate good communication and leadership skills, a willingness to become involved and share their instructional expertise with students as well as peers, incorporate innovative teaching methods, and have a positive impact on all students.

Marianne Wallach has infused life and excitement into the Latin language and been a transformational leader within the walls of HHS. Shari’s love of both literature and technology merge as she engages today’s learner through the use of podcasts and SMARTBoard lessons. The Fifth Grade Team of Dawn Liker, Ellen Mandelman and Missy Vanney at Wilson have created a world where each student is determined to achieve their own “personal best.”

MTEF congratulates and salutes these exemplary educators through these awards and bestows a $1,500 grant for the fifth grade team to share.

• By donating online via the “Donate Online” link of our website and designating the Endowment Fund.
• By printing out a donor form from our website at www.mtef.org and checking the “Endowment Fund” box.
• By checking “The Endowment Fund” box on our Annual Campaign donor card.

MEQUON-THEINSVILLE EDUCATION FOUNDATION ENDOWMENT FUND

In 2002, the Mequon-Thiensville Education Foundation established an Endowment Fund. As with many non-profit organizations, the Endowment Fund was created so that it will eventually provide an ongoing source of income for our operating expenses and general funding purposes.

The Endowment Fund was seeded with private donations in varying amounts. It continues to grow through the addition of private contributions and growth of its investments. The current goal is to grow the Endowment Fund to $1 million. After that point, the Foundation plans to take distributions from the Endowment Fund while continuing to build the principal balance.

Donors may designate their donations to the Endowment Fund in one of three ways:

- By checking “The Endowment Fund” box on our Annual Campaign donor card.
- By printing out a donor form from our website at www.mtef.org and checking the “Endowment Fund” box.
- By donating online via the “Donate Online” link of our website and designating the Endowment Fund.

A gift to the Endowment Fund through your personal and/or family estate is yet another way to express your support of the Moquon-Thiensville Education Foundation. Please consult your estate planning expert.

We would like to thank the members of the Grants Advisory Committee: Deb Anderson, Nancy Anderson, Brett Bowers, Eric Dimmitt, Tanja Fulton, Myra George, Chair Pat Hopfer-Spar, Susan Malmquist, Tom Price, Bryan Sadoff, Marcia Schwaiger and Jocelyn Sulzberger.

$301,606 / TOTAL GRANTS

SERVICES FOR STUDENTS ($41,155)

Several grants will support the AVID (Advancement Via Individual Determination) program and the Sydney Lauren Tabakin Writing Lab at HHS. AVID is a curricular program which provides writing, reading and study skills embedded in the curriculum that enable capable college-bound students to achieve higher levels of mastery than they are experiencing currently. An additional grant continues to support the writing lab opportunities for HHS students before and after school.

CONTINUED TEACHER AND BOARD DEVELOPMENT AND TRAINING ($20,500)

MTEF will continue to support the efforts of educators to be innovative and educated in their fields of expertise by granting $17,500 to be used in 2011-12 for staff development opportunities otherwise not possible. An additional $3,000 grant provides the Board of Education funds to study governance issues.

EXCELLENCE IN TEACHING AWARDS ($3,500)

Due to the continued generosity of our donors, we are able to award Excellence in Teaching Awards at the elementary, middle and high school levels. Please refer to the Teacher Awards section to read more about this year’s recipients.

MTEF will continue to support the efforts of educators to be innovative and educated in their fields of expertise by granting $17,500 to be used in 2011-12 for staff development opportunities otherwise not possible. An additional $3,000 grant provides the Board of Education funds to study governance issues.

EXCELLENCE IN TEACHING AWARDS ($3,500)

Due to the continued generosity of our donors, we are able to award Excellence in Teaching Awards at the elementary, middle and high school levels. Please refer to the Teacher Awards section to read more about this year’s recipients.

$301,606 / TOTAL GRANTS

SERVICES FOR STUDENTS ($41,155)

Several grants will support the AVID (Advancement Via Individual Determination) program and the Sydney Lauren Tabakin Writing Lab at HHS. AVID is a curricular program which provides writing, reading and study skills embedded in the curriculum that enable capable college-bound students to achieve higher levels of mastery than they are experiencing currently. An additional grant continues to support the writing lab opportunities for HHS students before and after school.

CONTINUED TEACHER AND BOARD DEVELOPMENT AND TRAINING ($20,500)

**MISSION**

The Mission of the MTEF is to develop community-wide private financial support for the Mequon-Thiensville School District, and through grants, to help support continued excellence in education.

**STATEMENT OF PURPOSE**

The Foundation is committed to helping address the budgetary shortfalls and to ensuring that the Mequon-Thiensville School District advances in technology, curriculum and personnel.

Declining enrollments coupled with the unfavorable state funding formula make this a fiscally challenging time for the Mequon-Thiensville School District. Creation of strong private-public partnerships empowers supporters of public education to partner together to make a difference as we prepare our students for the 21st century global world.

**GOALS**

- To achieve a distinct, beneficial and clearly understood role in the community.
- To collaborate with school district personnel and other school support groups to identify ways to maintain the educational excellence our children deserve.
- To seek and support creative ways to ensure the school district advances in technology, curriculum and personnel.
- To expand our parent, staff and community donor base.

**ABOUT THE FOUNDATION**

The Mequon-Thiensville Education Foundation (MTEF) was incorporated in 1998 as a nonprofit organization committed to advancing educational excellence. The Foundation is governed by a volunteer Board of Directors, which operates independently yet in conjunction with the Mequon-Thiensville School District and Board of Education. The Foundation is a tax-exempt charitable organization under Section 501(c) (3) of the Internal Revenue code.

The MTEF benefits all six schools in the MTSD consisting of Donges Bay Elementary School, Oriole Lane Elementary School, Wilson Elementary School, Lake Shore Middle School, Steffen Middle School, and Homestead High School.

### An MTEF Success Story

**MTEF Donations Lead the Way to Future Success for Students**

The role that the Mequon-Thiensville Education Foundation played in Emily Jakubiak’s education is unknown to her but through your donations MTEF has enabled Emily to pursue her dream. Emily, HHS Class of 2011 and now a freshman at the Milwaukee School of Engineering, was always interested in architecture so she enrolled in both Introduction to Engineering Design and Principles of Engineering classes at Homestead. According to Emily, “Project Lead the Way classes really cemented my ideas of what I wanted to do. After taking these classes I knew I wanted to study Architectural Engineering.” Emily received a scholarship for having successfully completed these Project Lead the Way (PLTW) courses.

MTEF granted $91,000 in 2009-2010 as seed money for the Project Lead the Way program. These donations, matched by school expenditures, were used to begin implementation of the PLTW program in Lake Shore and Steffen Middle Schools and Homestead High School. Without this seed money, the robust and nationally recognized PLTW classes would not have been as effective or even possible.

What is Project Lead the Way? PLTW focuses on Science, Technology, Engineering, and Mathematics (STEM) curriculum in middle and high schools across the United States while preparing students for post-graduation study and careers in these fields. Due to recent PLTW certification, students may obtain college credit from associated universities upon successfully completing PLTW courses at Homestead.

Current freshman Adam Meyer experienced PLTW courses at Lake Shore Middle School in 6th through 8th grade. Winner of the 2011 Golden Hammer Award at Lake Shore Middle School, Adam participated in the middle level offerings of Design & Modeling, Magic of Electrons, and Flight & Space because he enjoys “creating things and learning how things work.” Adam plans on continuing in the PLTW program at Homestead to help reach his goal of someday becoming an engineer.

You can see for yourselves that the seed money is already reaping rewards for Emily, Adam, and many other students that benefit from the community’s generosity and a strong science, technology, engineering and math curriculum. With your help, MTEF and MTSD will continue to collaborate to improve and expand the college and career readiness opportunities for all our students.
Dear Friends,

On behalf of the Mequon-Thiensville Education Foundation Board, I would like to extend my sincere gratitude to all our donors and volunteers during the 2010-2011 fiscal year. And what an amazing year it was! Because of YOU, the Foundation has approved grants exceeding $300,000 to the Mequon-Thiensville School District for the upcoming school year while continuing to build the MTEF Endowment Fund for the future.

I encourage you to read the Grant Awards summary section of this Annual Report which outlines what the Foundation has been able to achieve due to your active participation in education in Mequon-Thiensville. In particular, I want to showcase the over $100,000 granted to the Performing and Fine Arts Programs in the district; a first for the Foundation.

I personally want to thank the Foundation’s Board of Directors which has thoughtfully guided the organization in the areas of finance, law, teacher award selection and grant approval as well as volunteering and participating in the Foundation’s fundraising events. Thank you, too, to Eric Dimmitt and Pat Hopfensperger, ex-officio officers from the district, who have donated many hours to the Foundation.

I personally want to thank the Foundation’s Board of Directors which has thoughtfully guided the organization in the areas of finance, law, teacher award selection and grant approval as well as volunteering and participating in the Foundation’s fundraising events. Thank you, too, to Eric Dimmitt and Pat Hopfensperger, ex-officio officers from the district, who have donated many hours to the Foundation.

New for the upcoming fiscal year, I am thrilled to introduce our new logo as seen on the cover of this report which will be rolled out in the upcoming year along with a new web site. The Foundation will be retiring the “pencil” logo which has served us well for the past 13 years. We are excited about the fresh new look and are grateful for the donation of time and talent of Jack Rooney, Emeritus MTEF Board member and President of Ogilvy & Mather in Chicago, along with his partners Eric Ellis and Gabe Usadel who oversaw the design efforts.

As we look forward, I challenge everyone to help widen our giving and volunteering circles. Ask a friend, ask a neighbor, ask a fellow parent “Have you supported the Foundation this year?”

Thank you again to all our donors and volunteers for a great year of Investing in the Advancement of Excellence in the Mequon-Thiensville School District.

Sincerely,

Marcia K. Schwager
President
